YEARBOOK 1986

MY WORD !

Its that time of the year again. With the finals in progress the bulk of the book gets underway. Its rush rush rush here, rush rush rush there, pester team coaches, pester James, pester Mike, pester anyone involved. And with the Grand Finals over, there's more rushing, tension, pressures, pestering, and 'organization?' - there is a deadline to meet!

This is the second time that Rocky Hockey Club has had the yearbook. Of all the work gone into it, I would like to thank the following people:

PAM FORD - photocopying, Pres. report.

AIDAN TANSEY - photocopying, Brotherhood report.

MIKE TIERNEY - Photocopying of photo's, and for each week getting to me each team's best players and goalscorers.

RICK SINNOTT - large photo's.

LEONIE MIGLIORI - cover page design and artwork.

JAMIE KOTZAS - Bunbury report, Mixed Hockey report.

PEDER JOHANSEN - preliminary Challenge Cup report.

TEAM COACHES - team reports.

And to all the other people who have helped out and supported this year's yearbook.

REPORT FROM YOUR PRESIDENT

During the time I have been President, which has been for only the last half of the season, I had heard mention the need for a bit of 'what used to be', so I shall begin with a little of the history of the Club as I know it.

I joined this Club in 1970 or thereabouts. In those days it was just a ladies club playing hockey on Sunday mornings from as far away as Dwellingup to Kwinana. We had a lot of fun times with barbecues after matches on the Shoalwater Oval, when we ran out of cakes to auction, we auctioned off the younger members, my husband winning little, very embarrassed Liz Polini. Along with the good times, we had the usual trouble with who was going to play in what team and who was going to umpire. My husband, Gordon got this doubtful job most Sundays, consequently the Sunday lunch table was a battle ground of 'wrong decision'. My memory fails me, but it may have been around 1975 when the men joined forces, bringing with them many new members and many new debts. High hurdles were over-come, and we gained in strength in many ways and we no longer were dismissed by our local Shire as a minor sporting body. We grew rapidly in the next few years, but alas, lost a few girls over the next season or so as they became 'mums' and the men became work-bound, or age caught up with us.

I have been associated with this Club as some form of committee member, each year since 1970 except for 1985 when I spent a season watching hockey in Kalgoorlie and Kambalda, our ladies could beat them no trouble, I have gained such a lot of satisfaction from seeing small boys and girls falling over themselves and their sticks to now playing superior senior hockey.

I feel honoured to be the President in this particular year when we achieved the unexpected, To have brought home three Premierships is a wonderful achievement and I am very proud of you all.

The Reserve Green side had a grand fight, congratulations to Mike for a job done. The Under 19s, who were , at first not to be. No coach most of the time and only an old lady (who drives too fast according to one), to manage them and growl at half time, this team showed unequalled spirit to win. Well done. And our Under 17s for the second year, to bring home another Premiership making this 'Our finest Year'

I must now mention our ladies teams. The senior side must be very happy with their effort and the more experienced players have passed on a wealth of help and encouragement to their younger members. The Under 16 girls did well in the Coastal District Assn. and many budding hockey stars are on the way up through the ranks, thanks to Kelly Robinson for coaching them. Well done to you all.

I would like to say a heartfelt thanks to Rhonda Ford for all the help she has given me. She put me straight on many points as I had lost touch with many of the players and couldn't put names to faces.

Mike Teirney has been the main stay as far as organizing teams and grounds. A big thank you Mike. Kim Mathews took on being the treasurer after being in the Club only one year. A job well done Kim. I hope you are able to be there again next year.

Many many thanks to all the other people who helped make this year a successful one. Coaching and being on committees is not an easy task but we knew you were there and we all felt the benefits.

Although we began the season a little shakey, we now are looking forward to all sorts of good things, such as joining with the Cricket Club, (within the next three years) and eventually having grounds with a Club room with function rooms and canteen/bar and all amenities to call our "Home of Rocky Hockey"

If the Club stays strong with a growing spirit, as I know it can, all things are possible. On this note I will say 'Well done and Thank-you for a magnificent year.'

SUMMER MIXED HOCKEY. 1985/86.

Played at the 'Turf (WAIT Hockey Stadium)

The competition was played in good spirit, with all teams bar one or two playing in a social manner. During the 12 or so weeks there was no pennant to bar for, it was just an excuse to play social hockey. Players came from Rockingham and WAIT.

Playing under the name of "Rockingham Roses", we unofficially finished fourth out of 11 sides. Towards the end of the season the female half of our side came from WAIT, whilst the male contingent came from Rockingham. The best part of the tournament was the bar sessions after the games: the swapping of stories about Bunbury carnivals, swearing parrots, and exploding cats. During the summer one of our members fell in and out of love with a member of the 'opposite' sex (right Peder?).

All in all we had a good time and most look forward to playing again this summer.

JAMIE KOTZAS,
Organiser and Coach.

R/Ham 2 : LOST 1-3 v Kwinana.
R/Ham 2 : WON 4-1 v Exies.
R/Ham 1 : LOST 4-5 v Murdoch.

R/Ham 2 finished in 7th place in C grade.
R/Ham 1 finished in 2nd place in A Res grade.

The bus trip down in itself was an event on the Friday night. When the beer started flowing so did the singing, notably "ten green Chuckles hanging on the wall", referring of course to last year's wet blanket award winner Gary "Chuckles" Smith. We arrived at Bunbury and stopped off at Hungry Jacks, (much to the disgust of the manager), for some tucker and relief.

The bus finally arrived at the Chateau La Mer where the majority gathered into Room 26, and cards were set up, with pontoon being the game. There were no big winners that night.

The next morning Peder J. woke up with toothpaste on his eyebrows and Peter M. with half an eyebrow missing.

On Saturday morning we managed to get two sides together. Many had hangovers, one notable person who I won't mention, wasn't fit enough to play in the first game. There was only three games during the first day and we managed to fill each side with a full team. (We even managed to fill a side for Manjimup.) During the day each game was played in good spirit.

That night we had a good night out at the Rose Hotel. After, many set about the process of getting drunk again. During the night some set about shaving more eyebrows off, short sheeting beds, and raping a certain person with toothpaste (giving that ring of confidence), whilst Billy Ford had his face painted over with black texture.

On the second day R/Ham 1 continued their success of wins, pushing on towards yet another Grand Final. While this was happening, R/Ham 2 continued to lose but were still having a good time.

Then R/Ham 1 defeated Manjimup 2-1 we were assured of the Grand Final playoff (thanks to some great goalkeeping from Peter Molner).

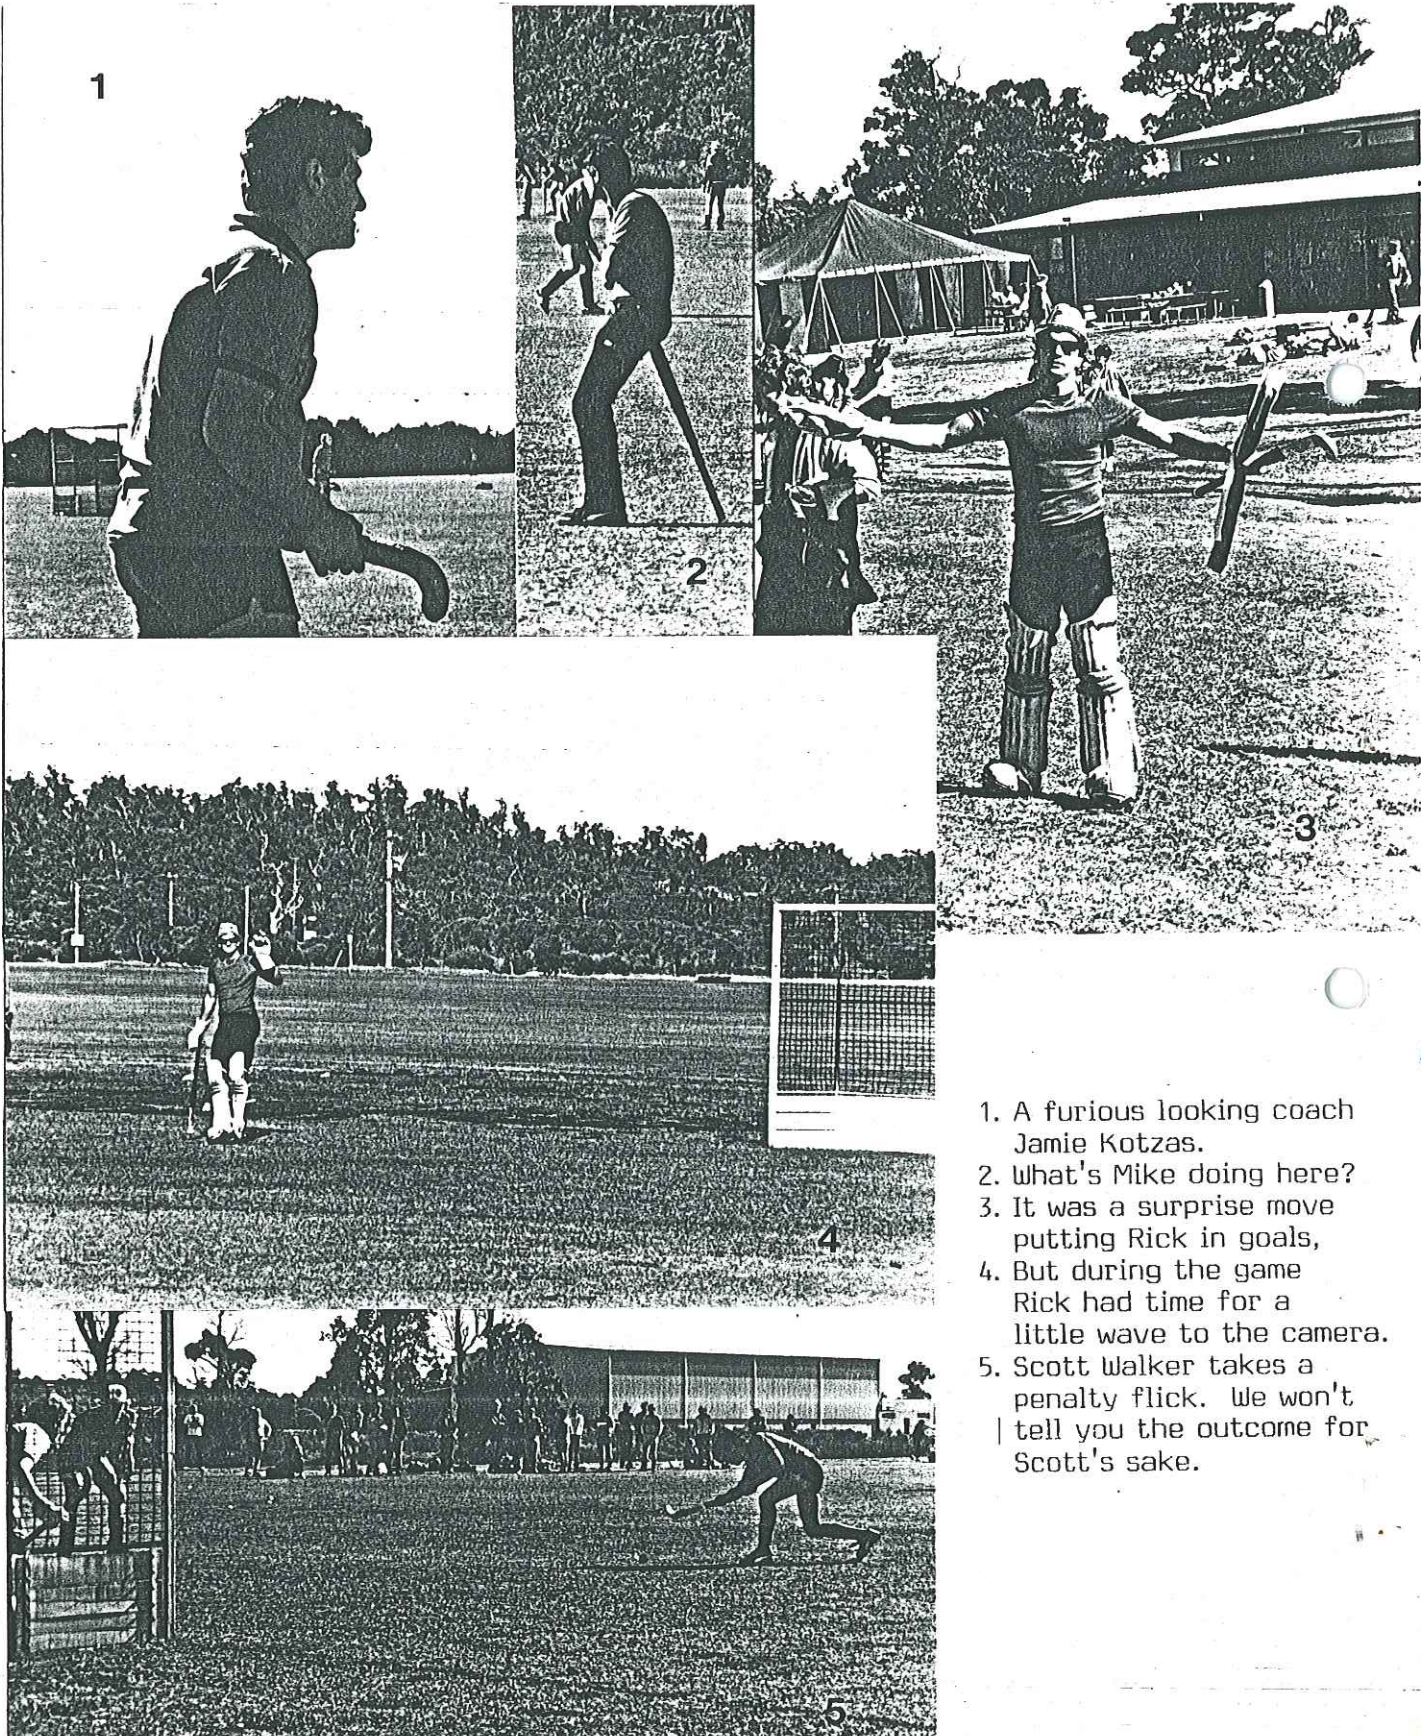

Before the Grand Final R/Ham 2 played Exies for the playoff for 7th and 8th position on the C grade ladder. A surprise move was RICK APPLEBY in goals. At the end off full time the score was 1-1. To our surprise Rick saved three penalty flicks while we put in three to salvage the 7th spot.

Now for the A Res. final. The game started slowly with Murdoch scoring first. Late in the second half we equalised. Then into penalty flicks. After three flicks we were down 2-3. With our fourth flick we equalised. 3-3 all. Then goalie Peter Molner made a great save and after four flicks each it was 3-3. I let Peter Molnar have the last flick. After a nervous few seconds he shot and the ball was in and we were in front, with them only possible to draw level.

But as we looked again the umpire had disallowed the flick. Why? Because the umpire never blew his whistle. Murdoch then went and put the last flick in and we had lost another Bunbury Grand Final. Lost on a technicality.

On the whole we had a great time.

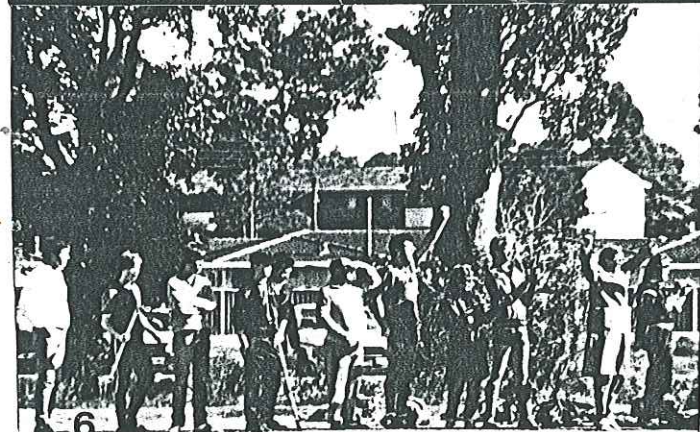

A very, very disappointed coach.

"R/HAM GO DOWN IN CUP FINAL"

MORRIS BUZZACOTT RES: IN A SENSATIONAL GAME OF HOCKEY ROCKINGHAM'S RESERVE GREEN WERE OUTPLAYED BY BULLCREEK IN THIS YEAR'S CHALLENGE CUP.

The score was 3-1, in which fullback Chris Manassis converted from a short corner.

The day started off dark and overcast, with the promise of rain, rain, and more rain.

Not so. When teams met the skies cleared up and the sun shone through - tailor made.

Rockingham's players were in a nervous and expectant mood, this being their first Challenge Cup.

With the warm-ups over, coach Mike Tierney's pep talk over, a team photo is taken, and the players run out onto the field to do combat.

The toss was won by Rockingham's captain Rick Sinnott and he elected to go to the southern end of the ground.

BRILLIANT

For the first 15 minutes, Rockingham played brilliantly. With the forward line playing well, centre-forward Shane Chaplin and winger Brad Alberti had several shots at goals, but unfortunately not converting.

Meanwhile the half-backs and full-backs were keeping Bullcreek's advancing attacks at bay.

A goal coming off the stick of Chris Manassis from a short corner lifts R/ham even more.

But 10 minutes from the siren, Bullcreek's forwards made a rare break and sneak a goal past goalkeeper Peter Molner.

HOW THE TEAM LINED UP: (from the back line)

Peter Molner				
Chris Manassis		Geoff Louwen		
Mark Cameron		Mike Tierney	Geoff Amos	
Brad Alberti	Robert Taylor	Shane Chaplin	Ray Bashford	Rick Sinnott

RESERVES: Joroen Ophorst
Rick Appleby

At half time Rockingham were subjected to the wrath of coach Mike Tierney and later emerge back onto the field ready for anything that Bullcreek could throw at them.

Rockingham's forwards mounted attack after attack, but were still just unable to put the ball in the back of the net.

FLICK

Against the run of play, Bullcreek made an attack and received a penalty flick. They convert, making the score 2-1.

Rockingham still continue to attack, and after 5 minutes, Rockingham break through and score a goal, only to find that the umpire had called for a penalty flick.

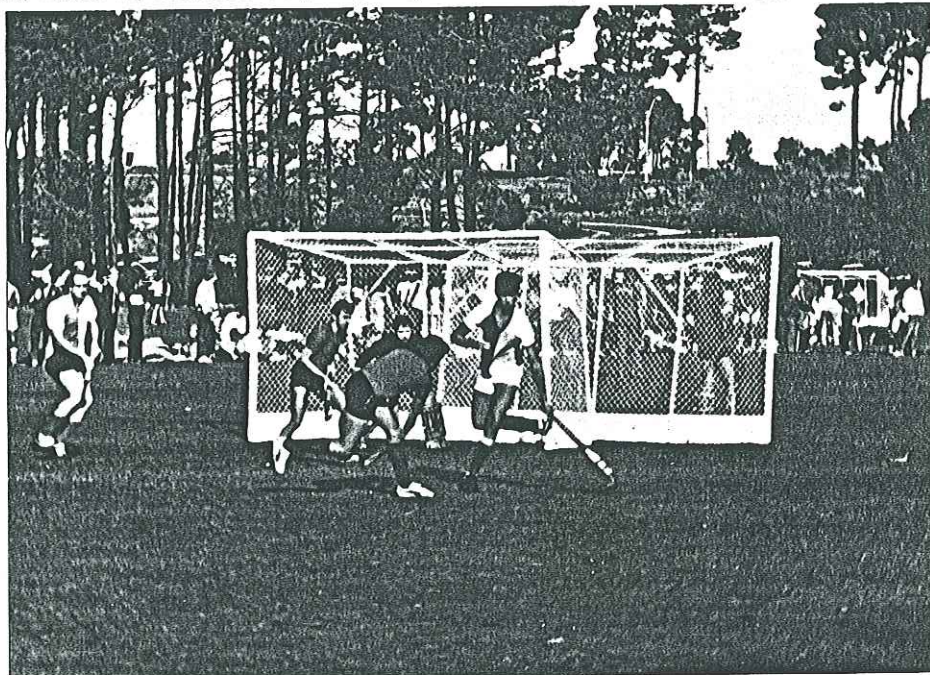

Rick Sinnott is nominated to take it, and to the horror of Rockingham, misses!

Rockingham then lost its spirit, and another controversial decision allows Bullcreek to score a field goal.

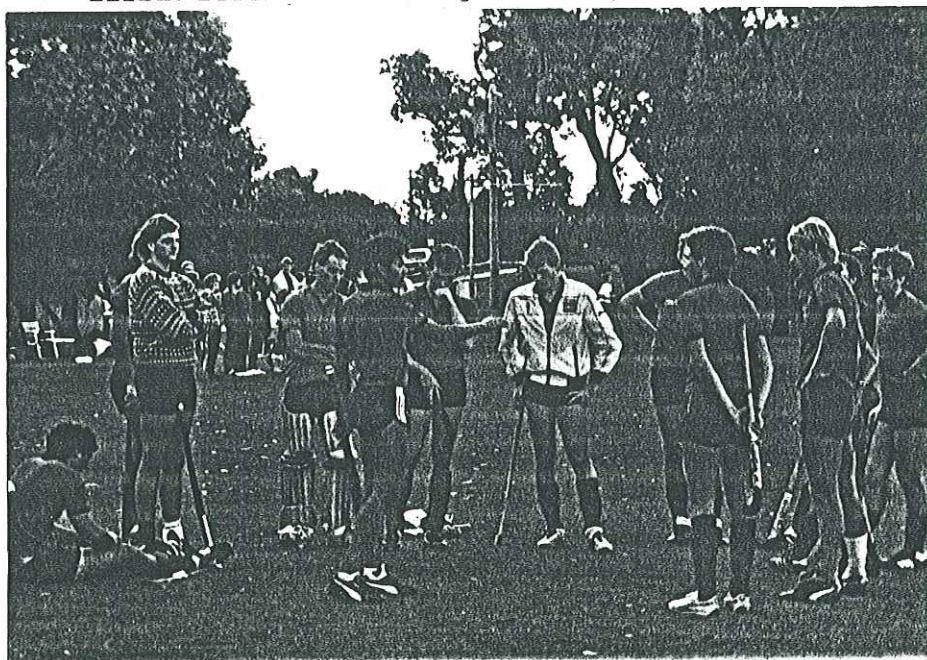

The best players for Rockingham were Chris Manassis, Mark Cameron, and Geoff Amos.

BACK: Geoff Amos, Geoff Louwen, Rick Appleby, Chris Manassis, Rick Sinnott, Joroen Ophorst. FRONT: Shane Chaplin, Mark Cameron, Brad Alberti, Robert Taylor, Ray Bashford, Mike Tierney, Peter Molner.

THE 1986 BROTHERHOOD

The 1986 Brotherhood Committee takes great pleasure in drawing up this inaugural report of some of the memorable events of the 1986 Bunbury Hockey Carnival.

The hysteria began when Brother Aidan was informed by the Manager that the Hungry Jacks Food Emporium in Bunbury was not a playpen for wayward schoolboys. Brother Rick responded to this offensive statement by relieving himself in the hand washing recepticle (minus the plug).

On arriving at the Chateau the Brothers quickly turned their Temple into a Liquor and Gaming outlet. The night quickly degenerated in to something more suited to the gutters of Rockingham. Dave Elliott exposed himself to reveal what 2D coaches are made of. This may help explain Sue's look of ecstasy and continous smile over the weekend. Meanwhile Brother Rick had a well placed surgical scar of his own to show to the now increasing audience. Uninterested in the developing game of cards Brother Donkey, Brother Rick and a certain Ken Heedes began instructing each other in the gently yet fine art of passionate "French Kissing".

Stumps were drawn early at 5.10 a.m. when bad light stopped play. The pitch was inspected by the Brothers (minus a couple of eyebrows that left the ground during the night) at 7.10 a.m. and play resumed with a regulatory ale at 7.30 a.m. A dynamic effort by Brother Brad saw him down copious amounts of straight gin, no mean feat at that time of the morning.

The day proceeded with the occasional resemblance to some form of Hockey in between drinking. Sister Anna showed she is certainly no novice in this field. When called upon to skull a glass or two very little coaxing was required as she put down alcoholic beverages at an alarming pace.

After adjourning to the Temple it was noted that Brother Aidan had been overcome by the sun??? and lapsed into a 36 hour sleep. Upon awakening he was told he had slept until Sunday morning and proceeded to pack for the journey home. The feeling of disillusionment was overwhelming. Upon learning the truth there was only time for a quick Golden Shower courtesy of Brother Rick before departing for the Rose Hotel (the 2nd time in 12 hours for one confused brother).

At the hotel a good time and enjoyable meal was had by all washed down by beer and Jack Daniels. After tea many Furry Arms courtesy of Brother Brad prevailed.

We returned to our Temple of Liquor and Gaming where Brother Aidan accumulated a good deal of winnings on the Blackjack table only to be redistributed among the players by Brother Rick when Brother Aidan was forced to take a short break. This eventuated because Brother Rick impersonating Robin Hood took from the rich and gave to the poor.

All the ladies (HA HA) retired early and made the fatal mistake of leaving the Brotherhood and several enthusiastic, inebriated U19's unsupervised. Peter (ring of confidence) Johannsen despite a valiant struggle received large amounts of toothpaste to sensitive parts of his anatomy (LOOK IT DOES GET IN MRS MARSH). Another victim Jerome has to be considered unfortunate as the first preference Rick Sinnott was awake at the time of the terrorist attack. Rumour has it he was practising or perhaps just playing with his backstick at the time.

The best thing to come from Brother Rick all weekend was a couple of technicolour yawns delightfully projected from the first floor balcony.

Much further mayhem took place in the wee hours in the U19's sewer. The room was later condemned as unfit for habitation by man or beast. The U19's however have been offered the same room for use next year.

The revelry drew to a close when a semi conscious Brother Molly intent on a self destruct mission, was finally persuaded to retire at 4.30 a.m. not out. A luxurious sleep was had by all until 7.30 a.m. when we rose to greet the day with a heart starter of amber fluid.

On the Hockey field Brother Rick managed to stagger into, fall upon and let three penalty strokes somehow hit him. Consequently he is still waiting to be approached for state selection.

The trip home was highlighted by a perfectly timed and meticulously executed brown eye to two young and obviously disgusted ladies.

The newly formed Brotherhood looks forward to its continued association with the Rockingham Hockey Club in 1987.

LADIES 1C TEAM REPORT

Unfortunately the 1C Ladies team did not make the finals. Bad luck girls, who just missed out by a couple of points.

The team played well all year and deserved to end up with more than what they did. Especially keeping sides like South Perth and Scarborough to drawn games. Great hockey girls.

Coaching the girls was an experience, it certainly is harder than it looks, seeing as this was my first crack at it. What do you do when you have up to fourteen girls turning up for practise each week? Finding new things to do and without having them standing around in the cold, like flat bottles of lemonade? Very hard indeed. To be honest, playing is easier, but just as enjoyable as coaching.

I'd like to thank all the girls for their support and team spirit throughout the year which was very evident towards the end of the year. Well done girls, and with luck you will be up there fighting for the flag next year.

The only time the team looked like a bunch of wimps was when they played Gosnells at the Turf and were 1-0 down. They all knew that the game could and should have gone the other way. It was after this game that they got back on the rails again and never looked back.

Umpiring decisions during the year left a lot to be desired. Nevertheless, the girls pulled together and overcame this obvious hurdle which seems to hound the Rockingham teams or are we just bias.

Brilliant passing in the forward line and the same defensive skills helped the girls to come within a few points of the finals. A special mention to Judy Roberts, for a brilliant save of a Penalty Flick against South Perth to create a draw 1-1.

It's also hard picking best players each week and I'm sorry if I missed someone out. Next year, we recommend that the girls fill in their own best player votes and vote who they think should deserve the votes. That way, it will alleviate the hassle of someone not getting chosen, or favouritism being used etc., etc., etc.

Best of luck to those who received trophies. Hopefully, the other girls will pick up something next year.

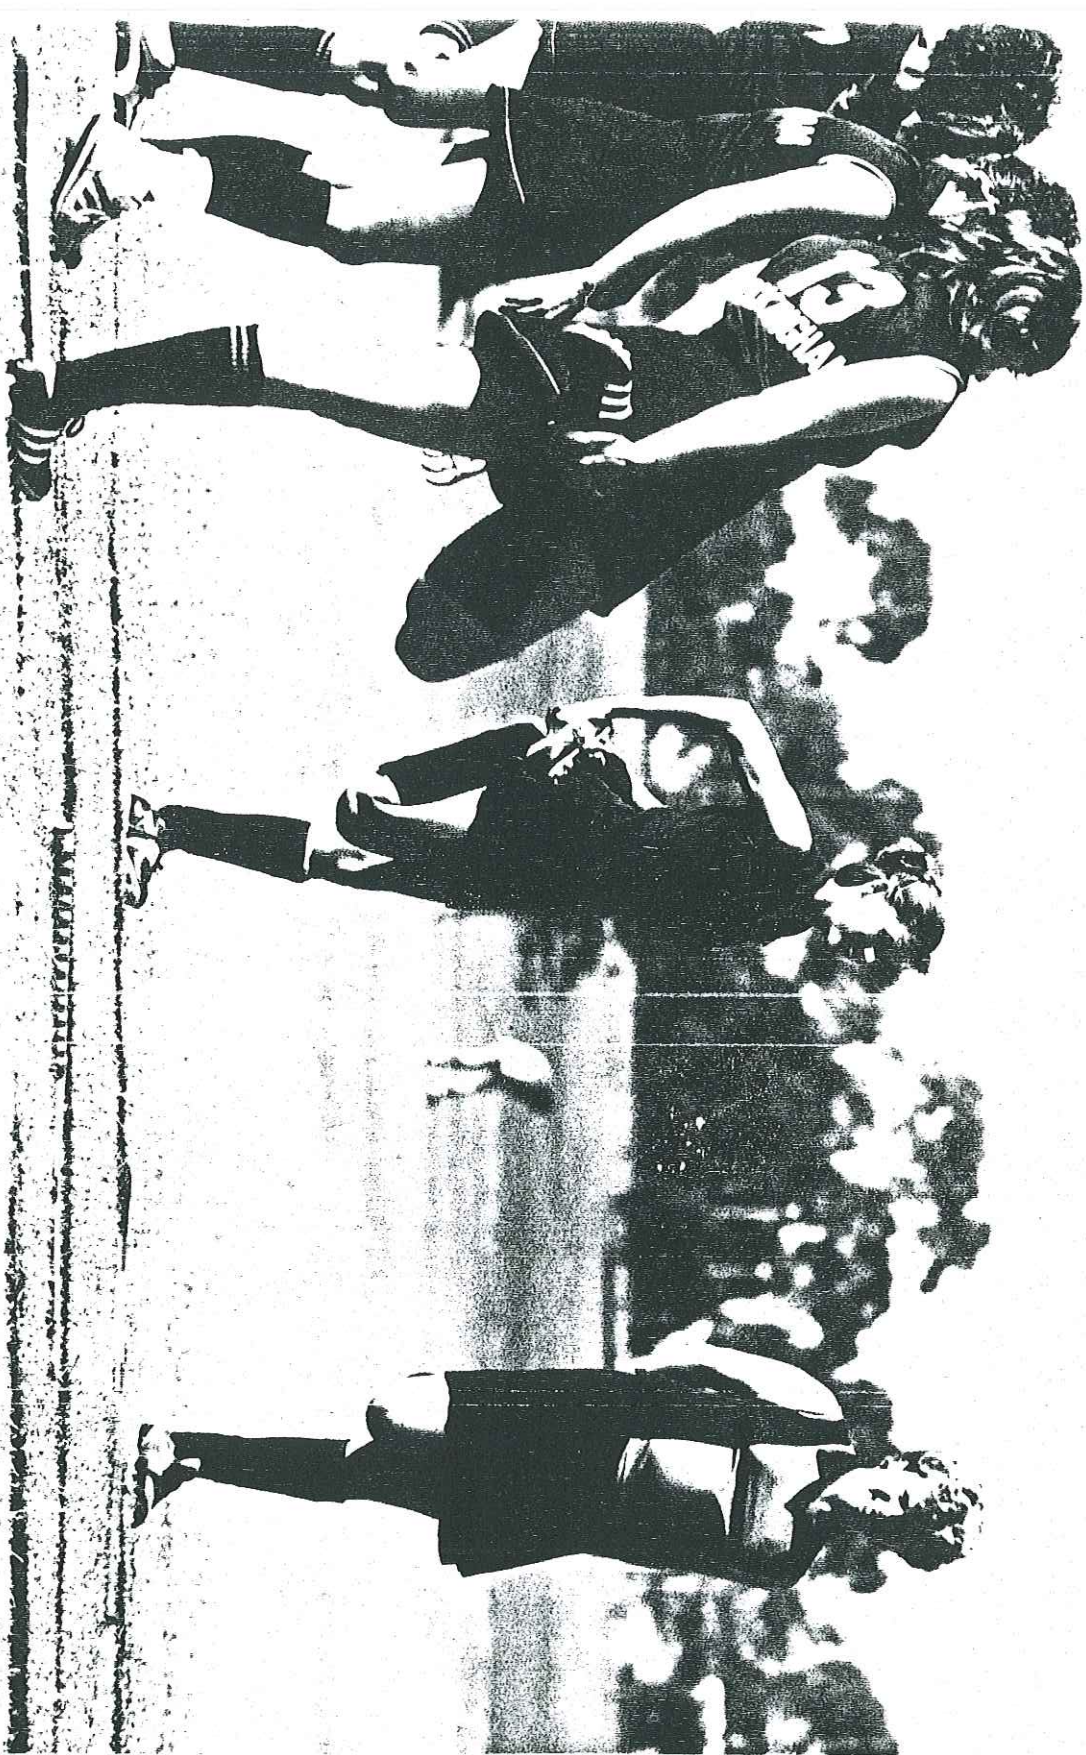

Once again the team consisted of the following girls:

Judy Roberts	Goalie	Seasoned player	Great flick save
Pearl Warner	R.F.B.	Seasoned player	Played well
Rhonda Ford	L.F.B.	Seasoned player	Played well
Tracey Gray	R.H.B.	Seasoned player	Played well
Kelley Robinson	C.H.B.	Seasoned player	Played well
Debbie Van Kyal	L.H.B.	Seasoned player	Played well
Tonia D'Lugi	R.W.	Junior but playing in senior team	
Donna Graham	I.Right	Seasoned player	Played well
Karen Birks	C.F.	Junior but playing in senior team	
Robyn Palermo	C.F.	Seasoned player	Played well
Jan Piper	I.Left	Seasoned player	Played well
Wendy Wales	I.Left	Seasoned player	Great goal getter
Theresa Goble	L.W.	Potential	Good goal to finish season off
Judy McClernon	R.W.	Potential	Improving with each game
Belinda Haines	L.W.	Seasoned player	(Incompleted season)

Thank you for the opportunity to coach such a lively bunch of girls and all the best for the 1987 season.

RESERVE GREEN TEAM REPORT.

At the time of writing this report I am reflecting on the season just past. In all my years with Rockingham Hockey Club this season would have to be by far the most successful for the club as a whole. We were finally able to bring home not one but two senior pennants, plus another success for our under 17 boys. However it's not just the pennants that has made this year so successful, it is the way the club has pulled together. Without the club support we've had this year I'm sure we would never have got where we did.

I have certainly had a very memorable year, coaching the men this year, was certainly an eye opening experience for me. I am very proud to have been part of the team this year and content in the thought that my small contribution hopefully helped get the team through.

The team combined well this year, in spite of the fact that there were many new faces to be seen. Seven out of the 13 players were new members to the club this year. With so many new players it was going to be difficult in the beginning to build a solid team unit. But with hard practise sessions and an effort by all the guys to get to know each other it wasn't long before we had our winning combination flying in top gear.

My thanks to all the players for their support and efforts throughout the season. I look back again next year for another enjoyable season, this time in the 1D grade.

MIKE TIERNEY,
Reserve Green Coach.

The Players:

PETER "Molly" MOLNER: "Team man, always telling people where to go."

GEOFF LOUWEN: "Mr Cool comes back to the club."

CHRIS MANESSIS: "Best man on the "GROUND"."

MARK "Party Animal" CAMERON: "Runs on neat Jack Daniels."

MIKE "Coach" TIERNEY: "GRUMBLE BUM."

GEOFF AMOS: "Quiet Achiever."

BRAD AIBERTI: "Played the best game of the season drunk."

ROBERT "Ronnie" TAYLOR: "Most people bounce back. Robert bounces off."

RAY BASHFORD: "That man with the beard."

SHANE "Charlie" CHAPLIN: "Was overheard saying: 'Gee what a stupid idiot I am

RICK SINNOTT: "Gee I played a good game."

JEROEN OPHORST: "Part time soccer player."

RICK "Brother Rick" APPLEBY: "The team Hit Man."

3C TEAM REPORT.

Thanks to all the guys for filling in and helping us to enjoy our hockey: Ross Gallop, Rick Berghuis, Aden Tansey, Gary Smith, Bob LeMerle, and Peter Janczyk.

And enjoy it we did!!

It's great to be part of a team that, although they get beaten almost every week, they still come back next week eager to get to it and enjoy a game of hockey.

It was good to stop back with most of the side and have a beer with the opposition team. (Should be more of it by all). Then back to the club to discuss the usual bull as we all do after a game.

It's over this year and although the ladder shows us at the wrong end, I would put this team on top.

Thanks to all; let's give it to 'em next year.

BARRY MIDDLETON: "He's one of those guys who always thinks of others and does his best for the team and the club. It was good to have him back in the team after having his cartilage removed."

STIRLING MOSS: "A player you can always depend on to run all day. He has improved out of sight; even getting a goal against the top side! But alas he was outside the circle."

RAY LeMERLE: "A very valuable player, playing in the forward or back line and if the umpires had their way, even behind the goals. Anyone who can convince the umpire he's not arguing with them and with the next breathe does just that must be good."

JOHNO JOHNSON: "Always there even if he is a little late when we play in South Geraldton. A good team member and clubman. With his TANK he should be in the Army not the Navy."

LANCE ELLIS: " 'I'll fill in when you're short.' Not only has Lance played every week he's played every position on the field; all from right inner. But he does play it well."

KIM McDONALD: "The type of player you hate to play against. Even though they may get the ball away from him, he's straight around fighting to get it back. And he has improved to the extent he is getting it too!"

GARRY HARRIS: " 'I'll play this week just 'cause you're short.'...Could hardly walk the next day but has played every day since. 'I don't want to play left half'...Plays there every week and gets a mention in the best players."

PETER (FANG) MITCHELL: "A late comer, unfortunately. From the little I have seen he is a top little player."

BOB WILSON: "It is good to know that Bob's behind you, I'd hate to be a forward playing against him. He just goes in head down, and comes out with the ball. And he still likes a beer."

MARK SKELTON: "If Mark can hold all his bones together next year the club will benefit as he is improving every week."

MARTIN KAULKMAN: "Martin would have done more work than any other goalie around, but plays his best game when he's been up barking at the throne all night."

JOE VASILIAUSKAS: " 'If you can get a full team I'd rather not play.' And he got his own way in the end when he blew a fetlock(?). Joe in the backline is like a stone wall."

JOHN BAULD: "Well it wasn't till the last four games we discovered why John told everyone at the beginning of the season he wanted to play in goals. Stopping two penalty flicks his first run in goals for the season. But an invaluable field player as well."

ALLAN BADHAMS: "Allan was just starting to get his land legs (or was that hockey legs) when a suppressed fracture of the jaw ended his run for the year."

LAURIE DONCON.

2D 'S WHO 'S WHO.

AIDEN TANSEY: "Fleet of foot he was often seen,
this brother gave blood for his team.

ALAN MILLS: "Roving here, roving there,
Old man Mills roved everywhere.

(ANDREW CREELMAN: "This team player stood fast and true,
Determined and dedicated in all he'd do.

DAVID ELLIOTT: "Smelly tried to get everyone trainin',
In charge of this motley crew, the captain.

GARY SMITH: "Known as 'Chuckles' on the left wing,
Ran up and down doing his own thing.

GRAHAM STAMP: "Stampy was goalie for part of the season,
Then moved east for a vocational reason.

JOHN BAULD: "Played a few games in fine and wet weather,
The shortest appearance in a 'semi' ever.

JEFF HAWKINS: "Now a daddy, the team's captain of vice,
Hawkeye had wise words of advice.

KEN HEEDES: "A sure hand and an eye that was steady,
Dare we call him Mr Ever-ready?

(LAURIE DONCON: "Senior member of the Bunbury brotherhood,
Donkey taught the youngsters what he could.

MARTIN KAULKMAN: "A new goalie was promoted,
A great goal saver he was voted.

PETER JANCYZK: "P.J. is Mr Versatility,
Playing in most positions is his ability.

PETER JOHANSEN: "Why use two hands when one will do?
Fluked a few goals to prove this was true.

RICK APPLEBY: "Footie feet with twinkle toes,
We even had a brother once in goals.

TREVOR WEST: "Never fear,
Trevor's here!

"Although youth and speed could not be said,
To be foremost, experience held them in good stead.

"They finished third after all was said and done,
The length of the preliminary was a MARATHON!"

UNDER 19's TEAM REPORT.

In the beginning there was nothing. Then, one dark and stormy night, a ray of hope emerged for Rocky Hockey - salvation was at hand! A congregation of 13 disciples gathered for an evening of feasting and merriment. One arose and proclaimed, "Brothers, I have a dream, that one day Rocky Hockey will submit an under 19 team. The great sea of opposition will divide before them."

The dream was born.
The disciples are as follows:

LEE "I'm stuck in Pinjarra" CRAMER
DEAN "The terminator" LINGS
MARK "I'm stuck in hospital" PATMAN
SCOTT "I'm knackered" WALKER

MARTIN "I'm stuck in the pub" BARNETT
WAYNE "C'mon fellas" HALL
PHILIP "I'm stuck behind goals" LUCAS
GREG "I'm stuck in Meekatharra" GELFI
BRIAN "Rubber legs" MOONEY
JOHN "Ears" McDONALD
NICK "Off" FILER

With special guest appearances from:
GAVIN "Hit me with a coke bottle" MORIARTY
BOYDEN "Houdini" CRONIN
ROGER "Piss off or I'll punch you in the head" HASKETT

In summary, we had a victorious season. Although not the most talented of players in the competition, with our team's C and G (Guts and Determination), we have a Premiers Pennant. Thanks to all those who supported us in the club and cheer squad at the Grand Final who gave us the winning edge.
Special thanks to the Swan Brewery.*

UNDER 17's TEAM REPORT.

After an extremely successful 1985 season as U/15's, I accepted the coaching position left vacant by Graham Ireland. As you are probably aware I've never actually played a game of hockey but the basic knowledge I received from Graham last year and with the help of a couple of coaching manuals, I undertook the unenviable task as the U/17's coach.

We started the season superbly by going through our grading games undefeated with an aggregate score of 22 goals for and only 3 goals against. With this in mind we went into our first competition game brimming with confidence only to be defeated 7-2 by Modernians. We also lost two of our next four games to be languishing in 6th position. From this point onwards the resurrection of the U/17's began. We gathered our composure and finished the first round of fixtures in equal 3rd position.

With the confidence and determination of the players growing steadily week by week we were able to go through the second round of fixtures undefeated except for two draws: the first to the bottom side Subs/Ned City and the other to the top side Kwinana, who incidently finished the season undefeated.

We played Kwinana in the second semi final only to be defeated 2-1 in a very close and hard fought encounter. Extra time looked imminent until Kwinana scored the winning goal with only minutes remaining. The boys worked extremely hard during training the following week and took on Modernians in the preliminary final.

With the score level 1-1 at half time the boys were treated to an "ear bashing" not only by myself but also by certain individuals of our parochial crowd. With these words ringing in their ears the boys set about the destruction Modernians in the second half to run out winners 4-1 and thus earning the right to challenge Kwinana in the Grand Final.

At the time of compiling this report we have just completed our final training session for 1986 in fine style and we are all quietly confident of reversing the result with Kwinana thus capturing successive premierships.

I'd like to thank both Mrs Allen and Mrs Taylor for providing both transport and half time refreshments for the boys throughout the year. And in addition, to Mrs Allen's anonymous contributions towards the boys in order for our team to actually look like a team.

And last, but by no means least, I'd like to extend my sincere appreciation to Donna Graham who has worked tirelessly with the team for the majority of the season. I can say in all honesty that if it hadn't been for her knowledge and guidance the U/17's would never have reached the heights they have.

BRETT SIMPSON,
U/17s Coach.

GIRLS U/16's REPORT.

Due to a shortage of players, an inexperienced coach and great feelings of dissolution, things were not looking good for the young side.

However in true club Spirit the girls showed great determination and never stopped trying throughout the season, narrowly missing out on playing in the grand final.

Pre season confusion of where the competition was to be played left many girls opting to play other sports leaving the side with only six players and the future of forfeiting many matches.

After a series of forfeits pressure from parents and the will to play hockey saw the girls recruit more players. Some experienced, some not.

Throughout the season the girls never played with more than ten players but these ten girls never gave up and always fought hard to give their opposition a hard game. Many games throughout the season the girls caused upset wins proving that they were not a team to be taken lightly. On reflecting back on the season many good games come to mind.

One towards the end of the season where the girls drew with the top side with only eight players minus a goalie. Also in the finals where they won the elimination final by scoring a goal in extra time and in the second semi final where after a disappointing first half, a firm speech from the coach and a small bribe at half time saw the girls come out and try so very hard to equalize the match at 2 all. However this was not achieved and the girls went down 2-1. After seeing the reaction from the sidelines and the parents, anyone would have thought the girls had won the match.

It was this type of determination and never a thought of giving up that really inspired me and made me feel proud to be associated with an excellent group of girls.

On closing I would like to congratulate the girls on a great season and especially Kelly Stevenson for winning the association runner-up fairest and best trophy. Also thanks to all the parents of the U 16 girls for all their support especially Mr Ron Coles who's help and guidance throughout the season was invaluable.

Kelley Robinson.

Three into finals

ROCKINGHAM Hockey Club made history last Saturday when three men's teams made it through to the grand finals.

Matches were played at the Morris Buzzacott Oval, and to every player's credit three Premiership flags came home to Rockingham.

Tremendous team effort and on field skill saw the Reserve Green

team, the Under 19s and the U17s score commendable victories over their opponents.

Final scores were Reserve Green- 2, WACAE -nil; Under 19s - 1, YMCA Perth - nil; Under 17s -3, Kwinana - 2.

If this is any indication of what to expect next season, the future for Rockingham Hockey Club looks very bright.

The AGM will be held on October 7 at the Clubrooms.
