1994
YEARBOOK

1994 PRESIDENT REPORT

1994 Started off successfully at our new facilities with our first carnival. Although a lot of work, it turned out financially successful. I believe most members are happy with our new facilities and our playing fields will keep on improving.

ANOTHER SUCCESSFUL SEASON ON AND OFF THE FIELD. Personally one of the most satisfying points was to see our lower mens grade become competitive throughout the season, another was seeing many of our ex-juniors playing in all our senior men and women teams.

For the third year Rob Taylor took the helm as headcoach and once again recieved results and support from the players. As president and a one eyed promoter of juniors, Robs work over the years is commendable, not only for his excellent work with the 1's & 2's but also for his encouragement and special interest he's taken promoting our juniors in our senior ranks.

As I've always campaigned, we must build up our junior base and our committee's new tack of helping the PEEL ASSOCIATION rather than work against them is now obviously the best for hockey in our area. Our club has to thank Lance Ellis, Rhonda Ford, Wendy Wales, Joy Klink, Clint Mills, Shenagh Macrae, Mark Cadamy, Stan Cutler, Brad Ball for the work they have done in developing junior hockey with Peel. As the Main hockey body in this area we must assist Peel with their needs to continue to develop these juniors. Working together, our two hockey bodies will grow stronger.

Thanks to all other coaches, team captains & managers, our executive and social committees, who's hard work has made 1994 a enjoyable, successful season.

Special thanks for a special effort by Neville & Rhonda Ford and Jeff Hawkins who between them maintained the Bar & Canteen facilities. Also thanks again to Wally Nugent who did all the running around making sure we had equipment, shirts etc.

I will be running for re-election as president 1995. If re-elected or not our committee's main objectives in 1995 must be to tie up a lease arrangement with the council for our new facilities and a signed agreement for the operating of our floodlights. Also a BIG must is to pursue our relationship in associating with the Rockingham & Mandurah Cricket Association.

Most members showed tremendous support to our vouchure system. The result was a financially successful season. We all know that our fees are the lowest for any Metro club and to keep them that way the club (bar) and special social evenings throughout the year must be supported, as they were in 1994

WELL DONE MEMBERS

Once again it is my pleasure to present the Sid Czabotar Clubperson Award. This year we had many hard workers, such as Neville & Rhonda Ford Jeff Hawkins, Rob Taylor, Lance Ellis to name a few. It was difficult to separate them but my decision because of extra work load put upon them when our Bar Manager went BUSH. I have pleasure in declaring my choice as Club Person 1994 goes to both Rhonda Ford & Jeff Hawkins.

ALAN MILLS

CONGRATULATIONS DAVE

Dave Elliott was and indeed is, a well known figure within the Rockingham Districts Hockey Club. His efforts and commitment to the club, both on and off the field, stretch back to the club's inaugural year. Today Dave receives the highest honor the club can award.

My first introduction to Dave was probably slightly different to the norm. Dave, playing for the club at the Bunbury carnival, was his usual self, totally committed to the ball. I was playing with another club, but much the same, head down arse, up eyes locked on the ball. So as unstoppable forces met, there was the inevitable impact and the inevitable result. Lying on my back wondering what the hell had happened slowed me down enough to allow Dave to regain his footing first. As I heaved myself upright I was surprised to see Dave swing his stick once more. Again Lying on my back I wondered if I had possibly slipped when Dave swung his stick again. This time I was fairly sure what had happened and was somewhat afraid as to my immediate future, however sanity returned in the form of three or four other Rockingham players dragging Dave away allowing me time to escape.

Dave will be remembered by others however, for quite different reasons.

- Dave has played over 250 games, nearly all of which were in the first grade side.
- When not playing Firsts Dave was captain coach of the seconds
- Has been coach of the Firsts in 1D's and 1C's
- Helped enormously with the club's first clubrooms
- Helped secure the Liquor license
- Has been a good friend and mate to many

So its congratulations to Dave a worthy Recipient of Life Membership.

ROBERT TAYLOR

1994 SOCIAL CLUB REPORT

Well, the end of the 1994 season has arrived, and from the social side of things it was a success. The new clubrooms have been well and truly christened, and it has been great to see the increasing number of members involved in the social side of hockey.

The backbone of this years social calender was the "late license." Held regularly throughout the season, they included alcohol (for some in large quantities), food (you name it, we tried it) and karaoke (although I feel at times there was a lack of skill if not enthusiasm). The support was great and well exceeded past seasons.

KARAOKE. This deserves its own entry. We definitely discovered were the skill does and doesn't lie this year. Reg, well done, to the rest keep practicing (just not where we can hear you !!!) However I do feel that there are a certain group of females that "think" they sound wonderful, This was deduced from the fact that they were hard to separate from the microphone.

One of the entertainment highlights of the year was the "COCKTAIL NIGHT". All was going very well until our trusted bar staff decided to concoct their own recipes! They were an improvement on earlier drinks, and they tasted harmless enough! It lead to a very interesting evening, although there are a few poor anonymous souls that probably can't quite remember. Particular commendations must go to Brad, you showed a side that most of us were not familiar with. (note incriminating photos !*?!, guess who!) It will definitely be a night to be repeated next season.

Our major fundraiser for the year was the 100's club. Although there were the sceptics, it was in all a major success. A big thankyou to all those who gave their support, both club members and the local community.

The ladies teams deserve a special mention, due to the fact that they are usually lacking in numbers at our social functions. This season was the exception, with excellent support from both teams. Lets hope this is a permanent change!

Hopefully the success of this years social calender can only be improved, and we look forward to a bigger and better season next year!!!

1C TEAM REPORT 1994

1994 started with the usual faces early in February. As is the norm, the numbers grow as the first match draws nearer. This year however, it was obvious some of the regulars were missing .

In total we had lost six players from last years side and a total of nine from the successful 1993 squad. It would be a tough ask to survive in the grade. This became all too clear and after the first four games the side was struggling at third bottom with only two points from the single win against Newman in round two.

With a change from our previously successful 3 3 3 1 system we eventually settled into a more attacking style which led to a change of fortunes. As the season progressed, the side climbed the ladder steadily until , after a particularly successful second round, (losing only once and unlucky to draw our last game against the top side) we finished in the top four - 5 points clear of fifth position.

We started our finals campaign against probably the one side that we would struggle to beat. Riverside Lions were victors in both our home and away fixtures and were too good on the day, once more running out 2-1 winners in the elimination final. The REDBACKS were not without some sting however beating the keeper on many occasions only to be denied three times by an extremely skillful goal postif only....

So its over for another year at least. I extend best wishes to all until next season when, I'm sure, with the right attitude we will improve on this year's results.

ROCKINGHAM 2B's 1994

FELLOW MEMBERS THE TASK OF WRITING THIS SUMMMARY WAS BESTOWED ON ME BECAUSE, (LIKE EVERYTHING THIS SEASON) NO – ONE ELSE WOULD DO IT .
ALRIGHTY THEN LETS TALK HOCKEY. WE WON 2 GAMES , DREW 2 GAME , WERE UNLUCKY TO LOSE 2 OR 3 GAMES AND GOT FLOGGED MORE TIMES THAN I CARE TO REMEMBER .
A PRETTY BAD SEASON WHEN YOU LOOK AT IT ON PAPER ,BUT THEN AGAIN IF YOU TALK TO THE PLAYERS THEY'LL TELL YOU THE SAME THING .

THE SEASONS HIGHLIGHTS. UMMM!!! I'M STILL THINKING , WE'LL COME BACK TO THIS IF WE HAVE TIME LATER ON. ONE THING THAT I AM HAPPY ABOUT THIS SEASON IS THE IMPROVEMENT IN THE YOUNGER PLAYERS CLINT MILLS , CRAIG NUGENT AND SCOTT RAWSEN.
CLINT SEEMS TO GET BETTER EVERY WEEK WHILE SCOTT AND CRAIG BOTH PROVED THAT THEY ARE VERY CAPABLE HALFBACKS . UNFORTUNATELY WE LOST SCOT IN THE LATTER HALF OF THE SEASON.

I HAVE JUST REMEMBERED A HIGHLIGHT . DEAN LINGS (OUR FULLBACK) TOLD US THAT DIANELLA WOULD GIVE US 2 CARTONS IF WE WON OR DREW AGAINST SOME TEAM , WE DID THE LATTER THIS HELPED DIANELLA GET INTO THE CHALLENGE CUP. HOWEVER IT DID TAKE DIANELLA A FEW WEEKS TO PAY UP THOUGH . IT MUST HAVE BEEN A PRESIDENTIAL DEAL.

AND NOW A BRIEF RUN DOWN OF THE REGULAR OLDER PLAYERS THIS SEASON
MOLLY MOLNAR , CHRIS BROWN AND DEAN LINGS THESE 3 PLAYERS WERE OUR FILNAL LINE OF DEFENCE AND THEY WOULD DO A SUPER JOB EVERY WEEK UNTIL CHRIS GOT SENT OFF.

MYSELF	I HAD A PRETTY GOOD SEASON SUCCESSFULLY STAYING OFF THE BACKSTICK MOST OF THE TIME .
GREG GELFI	THIS YEAR GREG WENT FROM FULLBACK TO FULLFORWARD TO GOALY HE'S MY BET FOR THE TEAM PLAYER AWARD . ANOTHER AWARD THAT GREG WILL RECIEVE IS THE TEAM SYMPATHY PRIZE , HE SEEMS TO GET INJURED EVERY WEEK SO I KWOW HE WILL GET A LOT OF USE FROM IT .
CARL RAFAELLE	HAS HAD A QUIET SEASON WITH LIMITED OPPORTUNITIES BUT STILL MANAGED TO SCORE SOME MEMORABLE GOALS .
SEAN TYRIE	JOINED US LATE IN THE YEAR AND ALSO SCORED SOME VERY GOOD GOALS . I'M CERTAIN THAT IF SEAN HAD PLAYED FOR US ALL SEASON , THEN WE WOULD NOT BE GETTING RELEGATED TO 2C'S .

THE FOLLOWING PLAYERS ONLY PLAYED PART OF THE SEASON AND DESE RVE A MENTION .

PETER CZABOTAR , ROSS WALKER , EWEN GUNN , RON CAPPS , DAVE DEVEREAUX , KIRK RAWSEN
ROSS GALLUP , ANDREW KEMP , ANDREW JONES , KIM DEVEREAUX , BRAD (SORRY I'VE FORGOTTEN YOUR SECOND NAME) , REG HENRY , AIDEN TANSEY AND TONY MILLS .

THIS HAS NOT BEEN VERY EASY TO WRITE , THE ONLY GOOD NEWS IS THAT CHRIS BROWN HAS VOLUNTEERED TO BE OUR COACH FOR SEASON 1995.

5'C TEAM REPORT

The 5'c this year finished 6th after starting off the season in great form. The first half saw the 5's in about 3rd position and looking good for the second half of the season.

Great performers in the first half of the season included Peter Baggio, John Humphries and John Tonkin.

The second half of the season started in great style with us beating the top side and going into second place. Then came the two week break which was the start of the teams demise culminating in the teams goal keeper being taken to hospital by ambulance, with serious neck injuries but to Tony Mills credit he came back to play the last game of the year **well done Tony**.

From that time on the team fell into a hole in which we were unable to get out of with the team's basics falling by the wayside.

Dropping two vital games against bottom sides probably cost us dearly in the end with team failing to qualify for the finals by two points.

On the promise side the team revealed some good talent in Mark Cappendale and Clint Chase being two young men from High School. Both guys showed great potential but need to work on their basics, mainly trapping and dribbling the ball.

Other players to show potential and possibly play higher grades for the Club are Reg Henry, Alistair McCrae and Brad Davies, all who have had a run in the 2's this year.

The "old stalwarts" in John Tonkin, Ron Capps (who for his age 40??) Mark Tonkin, Peter Baggio and John Humphries never gave up all year and tried their hardest.

Larry Hill a new face to the Club this year showed that he can out run anybody (even the ball) put in a great effort all year.

Many thanks to all guys who helped out the team this year in Ron Capps, John Tonkin and our Team Manager in Reg Henry.

Even though the season ended in disappointment for the 5's I think the guys can be proud of their efforts and can look to next year for a better effort....Your Captain Manny.

PS: Thanks to all supporters who came to the games regularly.

6B TEAM REPORT

The 6B's had a very successful season this year earning a spot in the Challenge Cup, finishing the season in third position even though we held top spot for the majority of the year and earning a place in the finals.

The season started well being able to field a team of 14 players on a number of occasions meaning the players had to earn a spot off the bench.

We had a number of players that had to leave the team due to work commitments in the Navy ie. Stan Cutler, John Ryan and Niall Barron and it was a credit to the nucleus of the team that we managed to convincingly defeat every team in the 6B competition.

The side was extremely unlucky in losing the Challenge Cup to Dianella but revenge was sweet in the first semi beating them 2 - nil and knocking them out the finals.

A few injuries towards the end of the year saw Rockingham miss out on the Guth Ardagh pennant by three points after losing the last three games which was a big disappointment but the side shows great potential and promise for the 1995 season.

I would like to thank the Team Manager, Danny Kay for all his help on a Saturday and doing the team selections after training.

Anyway that's the year that was, congratulations to everyone in the side for their commitment throughout the year.

Aidan Tansey
6B Captain

The Team

Brendon Carlin (goalkeeper) Saved many a certain goal and managed to upset every opposition forward with his barrage of verbal abuse.

Richard Aston (fullback) a steady fullback who is deceptively quick and never missed a game all season.

Danny Kay (fullback) the team Manager who did a great job and solid as a rock in defence.

Larry Lourenz (half back) starting to mellow as the seasons pass but still an opposition wingman's nightmare. A reliable halfback and an asset to the team.

Paul Terry (centre half) excellent skills and the best player in the 6B line up. Played a great season and if Paul wasn't on time, you know he was doing time.

Bronson Pereira (half back) the youngest player in the team who shows great potential and a definite to play higher grades in the future.

Mark Cadamy (winger/inner) had a great season until a "blade" broke two of his fingers. Mark is slightly injury prone and believed to be selling HBF policies on the sideline with his slogan "I feel better now".

Manual D'Silva (winger/inner) what can you say about a guy who has never played hockey before and finishes the season with eight goals, the teams highest goal scorer 'well done manny'.

Paul Banks (inner) finished the season with five goals, another player who should be playing in a higher grade.

Stan Cutler (centre forward) missed a large part of the season due to work commitments but a good forward when he was available.

James Dolan (centre forward/inner) a player with a lot of potential and one of the quickest players in the team. Took a disliking to a six foot four defender from Hale.

Gay Smith Quote: No. 1 no one should be allowed to play if they turn up to a game without spriggs.

Quote No.2 shit I'll have to ring Liz I have forgotten my socks.
One of the most experienced guys in the team who had a great season, retiring to vets next year.

Jeremy Aston (winger) a competent winger who had a good season, unlucky not to have scored a few more goals.

Thanks to these other players who helped the 6B's during the year.

VETERANS

From the start of the season, it was fairly obvious we weren't going to be quite as dominant as in previous years. We missed the Challenge Cup and finished third on the ladder at the end of the year, not a bad result. This could be our first year without a pennant!

Most of the teams we played acted like gentlemen, with very little grumbling about the umpiring. There were only a couple of send offs for the whole year. A senior member retaliated after being struck by a known trouble maker. Another was sent off because he looked guilty (lucky the umpire didn't see what really happened) but he managed to get two of the opposition sent off with him, a two for one offer.

Injuries and strains were common throughout the year with many players missing several matches. Getting old has its problems, especially when you don't believe you are slowing down, don't train sufficiently and don't warm up or cool down properly.

Three of the more mobile players finally reached the grand old age of forty and qualify to play in the Vets competition. There appear to be a lot more ring-ins waiting to play in the Vets competition. I can't blame them.

There was some reluctance to playing against the 5c's this year, we might have lost.

Geraldton was one heck of a trip.

Team players:

Sid Czabotar:	Goalie by default and did a brilliant job. Voted best Team Player.
Richard Czabotar:	Left half, still improving.
Ray Lillig:	Left fullback or sweeper. Team manager.
Ken Heedes:	Right fullback and left wing when allowed.
Neville Ford:	Top fullback, forward who scored a goal and pocket battleship. Vanished after Geraldton?
Ted Cowled:	Right half and left wing.
Jeff Barrett:	Mid field or centre forward. Runner up B/P.
Jeff Hawkins:	Mid fielder who fell out of bed and couldn't play for six weeks.
Wally Nugent:	Forward, right half and fullback. Where next year? Best Player.
Terry Evans:	Mercurial forward, Captain and highest goal scorer.
Alan Mills:	Forward, President, goal scorer, etc.
Marty Cappleman:	Centre forward, goal scorer and even a goalie.
Terry Bell:	Winger, inner and tagger and best goal score yet.
Bobby Wilson:	Helper outer.
Lance Ellis:	Helper outer who scored a goal and stopped many more.
Peter Stirling:	Wing or half, who started late in the season and improved quickly.
Paul McKeon:	Helper out goalie, unfortunately too busy to play this year.
Gary Smith:	Ring-in who found out Vets is tough.

Ladies A Grade

We had a good start to the '94 season, losing only one game in the first round. We reached the Challenge Cup but unfortunately Halls Head showed a greater desire to win and we went down 2.0.

It was clear when Mark came to coach us that although we had been doing well there was a need for some serious position changes, so after some shuffling and much whingeing (joke girls) the changes were made. It took us a few weeks to adjust but the results in the end speak for themselves and everyone seems to have found their niche in the team.

By the end of the season we were second on the ladder which meant we faced (again) a very confident Halls Head in the semi's after time it was 1-1 so it was down to flicks, Mark had already decided who would flick, the criteria being anyone who could reach the goals in one bounce or less. After some good saves from Mihala in goals we clinched the game 5-4.

We would like to take this opportunity to thank Mark Allen for his time and effort. We now go into the finals with a much improved attitude and are determined to do our very best.

PS: We would also like to thank both of our loyal supporters Jean and Ken Doll.

Team Report Ladies B Grade

The Ladies B Grade didn't seem to have a good season this year due to the fact that they couldn't get a permanent team until half way through the seasons. This caused a few problems but most were resolved quickly. Even so, we still managed to fight our way into the finals and finished third on the ladder.

In goals we had a few different players. Debbie Currie started the season off in goals and did really well considering she'd never been a goalie before, but she lacked confidence within herself and moved out into the field.

Kendall Carter who now enjoys the freedom of full back again came to the rescue and played in goals and the whole team appreciated immensely then a new player to the club Roberta Walton, finished off the season in goals and played terrifically and had some beautiful saves.

Our full back line was also full of changes up until four weeks before finals began. The one player who did remain in full back was Maureen Coles. She put 100% into all her games and never let the side down.

Debbie Currie played full back for a couple of weeks where she played well before pulling out and leaving hockey altogether. Lorna Shirra also played in the full back line making it a strong and difficult line of defence. To finish off the season, Lesley Piggot also came back to play full back. She was also a strong player and put in everything she had into each game. Also being filled with jokes and laughs she was a good person to have around.

Our half back line was also a strong line of defence with Sam Sheridan on the left. She always played well and tried hard. If beaten in a tackle she would never give up and go back to try again.

Kate Garner was our centre half and was one of the most experienced players and was a valuable asset to our team. She played well all season and was later chosen to play for the Peel Districts team at Curtin University along with Tamara Walton.

Kylie Coles on the right has put in a good season. She has always played a good round defence game. (except when Lorna manages to religiously "clobber" Kylie with one of her grand slams). Val Dean and Kendall Carter interchanged at left wing and both played well. Val once again came through with some specky shots at goal and more often than not succeeded with her efforts Kendall also made a strong left wing and always put in her best.

Left inner was Linda Kaye who again this season didn't put in any less than her best. She is a good strong player who came through to shoot goals more than once.

Centre Forward was shared between Tamara Walton and Lorna Shirra. Tamara started the season off in centre and as a strong attacker did a good job scoring goals for our side. Lorna Shirra then came up to centre forward and somehow found the energy to run all game. She became one of our top goal scorers, scoring over three goals in one game.

Tamara then moved into right inner and between Lorna, Linda and Tamara they made a strong forward line in the centre. Tamara played well in inner and spread the play well. Tonia Dlugi played on the right wing and despite all other duties (Captain, Coach) played well. The start of the season didn't go as well as hoped but came up to her standards towards the end always being in the right place in the right time. Tonia is a valuable member to our side not only as a player but as a Coach directing us as much as she could.

Bronwyn Caine was a versatile player and played well in every position she was put in. During the season she played in the half back line, as a wing and an inner. Bronwyn always tried hard and her hard work often paid off.

Terry Fuller was also a versatile player and added strength in our forward line when she filled in for our team and all her efforts were greatly appreciated.

Mark Allen came in at the end of the season to help Coach our side and helped our team a lot. All his effort and time was greatly appreciated.

Also thanks to Wendy Wales who came to our training sessions to help us out and our all time supporter Ron Coles who was there every game to give his help and support.
