ROCKINGHAM

FROM PRESIDENT ALAN MILLS

I would like to start by thanking all our very hard-working Board Members, all our Coaches, Team Managers, and our facility workers.

I also express a huge thanks to our sponsors…
Cottage Engineering and Surveying
Boddington Cranes
Sound Tax & Accounting
Rent-Choice
Agrishop
Drakesbrook Wines
Altitude Media
Without these sponsors, buying gear for our school program and paying our Coaches to participate, would be much harder.

Congratulations are in order…
…to all teams that made the finals. Our 11/12 Girls bought two flags back to our club this season and our J5/6 Boys 2 team finished top of their grade. Well done!

The following members were selected and played in State teams.
Lex Krige - U18's, Zirkie Krige -Masters, Roberta Walton –Masters,
Kellie Sadler- Masters, Paul Youlden - Vets O/50s,
Peter Mullin - Vets Country, Lachie Overton - Country

Seniors reality check incoming…
If you don't put in the hard work, you will get no return.

Half the Board was going to resign in March and the season hadn't started. Why? We had no idea who was going to play. Apparently, members think the Board should know if they are playing or not! It's very hard to organise a club, when the members are missing.

When nominations closed for the season in February, we had two teams training in one squad of Mens and half a team of Womens.

continued…

PRESIDENTS REPORT CONT…

The Men's 2s,3s,4s and 5s were starting to hold scratch games and we were having to ask Kwinana to make up numbers to have a game.

On the 25th of March, less than 1 week from the start of the season, we still had no idea if we had nominated the right number of teams.

So…the takeaway?
We must know our numbers in February for nominations!

We must get our 4th women's team back for 2024 but it will be impossible if we can't get the numbers there in early February, for training.

We also need to get the elder members to think about forming an extra Women's and Men's Masters team. This may mean doubling up, but we have done it in the past. We need to grow extra sides. We need everyone to start talking to all that play hockey and get them back to the club.

The sting of disappointment…
2023 was the worst ever in my memory for achievements and participation at club level. Out of ten Senior teams, 3 made finals, but worse, very little club spirit spread into the clubrooms.

In years gone by, when members gather socially in clubrooms, we are generally succeeding on the field. This did not happen this season. A priority to increase social participation is a must. All Team Managers must be carefully selected so they can act as communicator from the Board and facilities. Levies may have to be added to gate fees to get all teams to share the requirement of supporting functions.

Last summer, after COVID, we expected a bigger summer comp, but it wasn't supported. We expected all members would be excited by a new season and they would turn up to pre-season… it didn't happen.

continued…

PRESIDENTS REPORT CONT…

This October has seen a tremendous turn around in Summer Hockey participation, with 12 teams playing on the two nights. Hopefully this is the start of a great response for 2024.

The next 10 years may see if we survive as a club or not. Rockingham Hockey will not grow unless support is revived and all members heed the call to do more around the club, even if it's just something "small".

If we are going to succeed, we need members to show interest and commit in early February, by getting back into training and registering to show the board how many players we have. All teams must be back at training by the start of Feb.

The warm beam of success…
Even though our Men's 1s face relegation from the Premier 2 grade, the year was successful in the fact the men were competitive in all games and with a bit more luck earlier in the season the story would read differently. Overall, a great success from due to the hard work from Matt London. Our Men's top grades succeed because of the work put in between Matt, Dave and Paul. Promotion and relegation as a club started to work and showed results with the Men's 2s finishing in the finals after many years being the makeshift team.

For years, both our Men's and Women's 2s teams have been the teams that miss out with selections. This season, with a different approach and Coaches and Managers willing to work together, both the Men and Women's 2's have performed much better. Once again thanks to Matt London and Dave Klink and their hard work since January.

The Juniors were our shining light in 2023 and hopefully we will see more team's next season.

The biggest story of 2023 was the large number of parents offering to help with some already committing to help next season. This is a very positive move that will help success now and for the future.

continued…

PRESIDENTS REPORT CONT…

The satisfaction of being involved in Junior Development is great and I keep encouraging all to continue to put your hands up to help. With this level of support from parents and members, we can really get a jump start 2024.

Our Women's 1s and 2s, although they didn't succeed on the ladder, they played the year out tremendously, finishing mid field. A great effort from such a young squad. Hopefully, next season we can maintain the existing players and attract some of our previous 1s 2s back into the club. I would be happy just to retain all players in this year's squad rather than the usual exodus of 6 or more that happens every year. Ladies, this is up to you to grow as a group and welcome others back into the club.

Just in case you didn't get the message…
Members, we need your help to build our entire club back up. Work together over the summer, be early at pre-season, ask ex members to come back, encourage your entire 2023 team to roll into 2024, use your team spirit to get new members to join.

In 2024 we could really do with everyone's help to field an extra Women's' and Men's Weekend team and an extra Women's' and Men's Masters team. The board can't do this alone. We need your help!

School Juniors,
Matt London did a fantastic job this year as School Development Officer, getting into many schools with a dedicated group of Coaches. This was made possible through sponsorship from two of our sponsors, Cottage Engineering and Agrishop.

The outgoing Board had started an ambitious plan for the next couple of years, to try to regenerate our once very successful local school programmes. It is the belief this will encourage junior membership growth in all school years from 1 to 6.
The idea is to invite all schools to enter a team in the competition on Saturday mornings and hopefully be able to select from these, combined HWA teams for the metro competition.

continued…

PRESIDENTS REPORT CONT…

This ambitious plan is still in the planning stage and may take a year or two to get into full swing, if possible and if we receive school support.

If we can grow the local school programme and then theoretically our Junior numbers, we should see our club get the jump start that it needs in the area we need most- increased participation!

On the topic of participation…
I keep talking about growth, but it doesn't just mean our member numbers. It also relates to social activities and members participation in. A lot of members don't realise that only 20% of our expenses for the year are covered by our club fee's. The rest relies on our facilities and social activities or events.

We are not the only club suffering from a lack of support in this area, but it does lead into a dilemma that may strike more of a chord. There are only two ways of raising the money required to run our club; **through enthusiast participation in our social events** or **raising club fee's**. I would rather see an increase in members and their family and friends enjoying the social scene of RDHC at our wonderful facilities, then put up the fee's.

However, it's up to all members to shift the tide and make it happen.

Training Nets
As you are now aware, our side net project has been completed. Thanks to Chris Pierie and Neville Ford, who helped me complete this project over the last two years. Thanks also to Paul Krige who kindly donated the covering to protect the nets when in the down position.

The nets will enable us to train across the field, saving our D's and prolonging the life of the turf. The next turf will cost over $600k (based on if being required today). Who knows what that will be in 8-10 years' time?!

continued…

PRESIDENTS REPORT CONT…

Thank you very much.
Big thank you to ***Katherine Anson*** who has been our Secretary for the last nine years and ***Paul Youlden*** (Senior Director) who has for many years been on the Board. There are two big sets of shoes to fill. From being instrumental in helping the club function, to being two of the most liked persons within our family, on behalf of everyone, thank you for all you have done for the Redbacks.

I hope that everyone has a safe and happy holiday season. I look forward to seeing you *EARLY* in 2024, ready and excited for the new season.

COACH : Lee HANSORD
MANAGER : Harmony CROUCH

Write up thanks to…
Lee Hansord

While many of the boys have been playing together for a number of years now, we welcomed a few new faces in 2023, including Lee and Harmony as Coach and Manager. The focus for the season was to create a team who played for each other, develop individual skill and foster an enjoyment of the game of hockey in a friendly team environment.

It didn't take long for the boys to respond to this new approach and after a few games the team really started to click. Passing and positional play became second nature, our midfield became the engine room of the team, our defense grew stronger each week and our forwards never stopped working hard.

It was great to see the boys take on every challenge that came their way, from trying new positions on the field, to adapting to structural change when we were caught short occasionally. I was constantly surprised by the resilience they showed throughout the season, I can t remember a game where the boys didn't come from the field without a smile on their face.

Thank you to all the boys for a great season. Thank you also to the parents for their support along the way.

A Remarkable Journey to Success!

In a year filled with uncertainties, the Rockingham Redback Year 11/12 Girls' team faced an uphill battle. Initially unsure if they could even field a team, they came together and embarked on a remarkable journey that would define their season. From the very beginning, it was clear that this was a special group of young ladies, determined to make the most out of their season.

The pre-season marked the beginning of their transformation, as they committed themselves to countless hours of training, hard work, and dedication. As the season progressed, their improvement was nothing short of astounding. Every practice, every game, and every challenge they faced were met with unwavering resolve, and they consistently rose to the occasion.

Their perseverance and dedication were rewarded with the ultimate achievement - claiming the coveted 1st place in the competition and bringing home the Minor Premier Flag. This remarkable feat was a testament to their teamwork, resilience, and the support they received from their parents and the entire Redback community.

As we celebrate their outstanding accomplishment as Minor Premiers, we also hold our breath in anticipation of what lies ahead. With the same determination and spirit that carried them to this victory, we can only hope that they will continue their journey and aspire to become Major Premiers in the future. (Achieved!)

Congratulations to the Rockingham Redback Year 11/12 Girls' team on their incredible season. Your dedication, unity, and hard work have not only earned you a place in the record books but also the admiration and pride of everyone who has had the privilege of witnessing your journey.

Here's to the Rockingham Redbacks - a team that proved that with passion and teamwork, anything is possible.

SOUTH-WEST JUNIOR HOCKEY CARNIVAL … BUNBURY BABY!

Thank you to all who made Bunbury 2023 another brilliant event for our Juniors. Parents/Ubers, coaches, volunteers, supporters- here's to you!
And a big well done to all our participating Juniors- you guys rocked it!

COACH : Matthew LONDON
MANAGER : Zirkie KRIGE

Write up thanks to…
Zirkie KRIGE

In a season of exciting highs and valuable lessons, our Men's Premier 2 Division hockey team made their mark on the pitch.

The journey began with a triumphant victory that echoed with the resounding chant of victory a song, breaking the spell of nine initial games without a win. This remarkable turn of events illuminated the team's resilience and spirit. Elevating their game from division 3, the team embraced their debut season in division 2 with determination.

While facing some tough challenges and inconsistent performances, the majority of players showcased their mettle against established hockey powerhouses. Adapting to a possession-based strategy added a new layer of finesse to their style, leading to moments of breathtaking hockey mastery and effectively countering aggressive mid-field swarming tactics employed by rival teams. However, the season was not without its trials. Injuries took a toll on the team, exposing the need for enhanced depth and options.

Looking ahead, the season's lessons are clear. Strengthening the team's depth emerges as a crucial focus, ensuring that injuries won't disrupt their momentum. As they reflect on the highs and challenges of this season, the team is poised to continue their journey with newfound determination, armed with the knowledge that a solid foundation is the key to future success.

WOMENS 1

Premier Div 3

COACH : Dave KLINCK
MANAGER : Sara JOHNSON
Caitlin WILSON

Write up thanks to…
Teisha GASON

A fantastic group to be a part of, and a prime example of a team that performs their best when the odds are stacked against them. (As well as being the umpires' undisputed favourite team of the comp!)

Our focus on linking up through each of the lines was made easier by an array of both returning player experience and new, fresh talent. (As well as a frightening amount of pre-game caffeine!) The final standings definitely did not represent the teamwork, skills or growth the girls established together this season.

Being the heavily defensive team that we were, Dave's implementation of 1 less forward, and 1 additional full-back was definitely in order… potentially not 15 minutes before playing the top team with only 1 on the bench – but its immediate (and surprising) pay off was really something to see, and to be a part of.

A massive thank you has to go to our team leaders, and all-rounders, Sara Johnson and Caitlin Wilson, who always found the right words before, during and after the game, and had a seemingly endless supply of gas, and skills, in the tank to propel us forward.

Sheridan 'The General' Smith led from behind with levelheadedness and tackles like brick walls, that brought even the zippiest forward to a grinding halt. Behind her, Roberta 'Bertie' Walton proved impenetrable, as always. Much the same could be said for Zirkie Krige during the games she selflessly stood in our net.

Our own zippy forwards Kate Haggerty and Bree Epps had stunning vision and composure during their multiple breakaways alone up the field. And Mikayla Stephens's, exuberance never faltered, regardless of her position.

continued…

WOMENS 1

Premier Div 3

continued…

Teisha Gason and Tash Keen-Smith shared the centre-half position, connecting us through our lines and deftly utilising the 'fat side' of the field. Kailee Greenaway, Kellie Harold and Rebecca Ho were our smiling assassins in the half-line. They adapted to the new structure with ease, creating space and opportunities for our full-backs: Vanessa Wells and Emily Higgs, who held attackers out effortlessly one minute, and were up testing the opposition's defence the next.

Our wonderful and welcome additions Stefanie Kenyon, Tia Kennedy-Smith, Megan Belmont-Kleingeld, and Chloe Philips brought their positivity and efforts that helped us all to lift as a team.

Sadly, injuries were far too frequent this season, with our resident speedsters Nicole Webb and Sarah 'Beans' Wright missing far too many games for our liking! (Especially after Nicole tried to convince us she 'couldn't score goals', before immediately sending a deflection straight into the top right corner.)

Our season saw us go from – as Dave would say – miles off, to meters off, to centimetres off, to bang on. And when we played at our best, we more than challenged the best in the competition.

To our players; from permanent fixtures, to FIFO, to fill-ins, and everyone in between – thank you for an excellent season. And to Dave, we could not be more grateful. Your encouragement, advice, and support of us was unwavering. But, most importantly, you taught us the valuable lesson of: just stop overthinking it… Wait, no, that doesn't mean stop thinking entirely! Thank you for an unforgettable season together.

This year has been a year of ups and downs for the Ladies 2's.

We had a rocky start this season, as RDHC lost a team on our women's side, and we had to learn how to play together as one team. We did not have as many wins as we would have liked throughout the season, but every week, we worked together and got better than the last.

A massive thank you to the juniors, Izzy, Megan, Caitlinn, Chloe and Nikita. Even with eye rolls and attitude, you all came out every week and worked your butts off. It has been a pleasure watching you all grow this season.

Another thank you to all the ladies who came and helped the 2s each week; the games would have been much harder without you to help create subs.

To all the ladies on the 2's team this year, it has been a great year. We would not have had a team without you, and your hard work and dedication have not gone unnoticed. I look forward to seeing you again in the 2024 season.

WOMENS 3

Div 8 GOLD

COACH : Danni BUTLER
Georgi JACKSON

MANAGER : Danni BUTLER

Write up thanks to…
Georgi JACKSON

The Women's 3s began their 2023 journey with a change of scenery, jumping up from the comfy familiarities of Div 9 to the unconquered territory of Div 8. Did we dominate? Well, not so much on the scoreboard BUT we certainly brought our brand of zesty, friendly hockey to the division and gave it a jolly good. We finished our season with 3 wins, 1 draw, 14 losses, 10 goals and at 9th on the ladder- just enough to avoid adding another utensil to the kitchen draw- yuuuus!

This year the team was a hearty soup made from a base of last years players, a seasoning of players-of-yore returning and a dash of nimble and eager Juniors. Which would make our golden croutons, all who helped us out with "filling in", when our broth was lacking; thank you good souls! I guess we are running with food analogies for this paragraph, so lets say that once our flavours had time to develop and get used to the pot, we had a really balanced palate, which I believe, with just a bit more time to age, would of resulted in more five star reviews. Hopefully we get to try this recipe combination out again next year, so totally no pressure, but you are all coming back for 2024, mmkay. Thanks.

We so very much love having Juniors come up into the Women's league and expand on their hockey because the learning experience goes both ways. The seasoned team-mates offer years of hockey knowledge and a foundation of support and guidance, our Juniors bring their new-gen skills and game flow, which keeps the team current and adaptable to the ever-evolving game. This year we had four main "Rooks" in Niamh, Sophie, Bronte and Delaney (Rook Gate-Keeper!) and our "Graduating Rook" Caitlinn, (who has been a part of the teams for some time now!) These young women brought their passion, skill and positive team attitude and absolutely slayed out on the turf. They are a group of exceptionally talented youngsters, who impressed the very socks from our feet. Niamh was the very deserving recipient of the teams Fairest and Best Award!!!!

continued...

WOMENS 3

Div 8 GOLD

continued…

Todays woman is mad-cats busy, so when a small window of time opens up in their schedules and they decide to come back to hockey, we are honoured! Returning from varying lengths of time away, were Pamela, Sarah, Rachel, Jenna and Jodie. Not that you could tell. As soon as they were on the turf, it was like they had never paused in their hockey journey and just carried on being amazing. Jodie turned her hesitation of her own capabilities into Runner Up Fairest and Best for the team, with perhaps her dive goal, (that was not in the slightest bit a stumble, fall and surprise 'tock' over the correct spot on the baseline,) coming in even-stevens for the team's goal of the year, with Rook Sophie's sheer smarts and class goal, before the timer had even reached 10 seconds of game play. Ah, it's those moments that live with you forever!

Carrying the torch from last year (the torch being a flaming wooden spoon) was Yiana, Gemma, Potts, Megan, Kaylee, Des, Georgi, Danni and Zirkie, our coveted gate-keeper. They were the solid footings to the team structure and could be relied upon to always be in the right place to keep the play coherent, to know the exact way to raise morale or to cool tempers and keep us on track. And it worked! No wooden spoon this year, you little ripper!

Now for a special tribute, to the one and only Danni, the beating heart of our team. Not only did she take on the roles of Coach and Manager but also juggled through Women's 3s, 2s and Masters AND supported Juniors AND kept us all up to date as Communications Director for the club. Phew! Danni, thank you for everything that you did for the team this year- for the parties that helped us bond, for the admin and organizing and delegating, for never giving up on us. You did it all, Dickie Knee, and you have been doing it for years. We in the W3s want to say we saw you, we are grateful and we think you are the absolute tits!!

I loved being in a team that supported each other, shared the load of the jobs and were genuinely excited to be out on the turf, having fun playing some hockey with one another. You should all be so proud of the progress we made, the friendships we strengthened and the opportunities we took. Take care over the summer hiatus, crew. Looking forward to seeing you all very, very soon!

MENS 5

Div 9 GOLD

COACH : Brad BALL
MANAGER : David BUCKLEY

Write up thanks to…
David BUCKLEY

Season 2023 for the Mens 5s started with a team sheet of 16 available players and an air of optimism that we could compete with any team in the division.

The usual familiar faces of Brad Ball, Lee Cousins, Gunnar Grov, Nanna Nairn, Phil Minchin, Phil Hargraves, Mike Pugliese, and Chad Hicks welcomed new players to our club; Ryan Kelly and Justin Oakes, along with Trent Hicks, Beau Keith Harris, and Jude Gares who played Seniors with no J11/12 boys team this year.

Rhyley Paynter from J9/10s played his first season of Seniors in the midfield and we also managed to, during the season, give the debut Senior games for Will Minchin, Brayden Oskam, Max Pereira and Travis Willcox who all filled in admirably and paint a bright picture for the success of our club into the future. Clint Mills was also successfully recruited to help us out, and the plan was working well with two wins, a draw and a loss after the first four games.

As the season played out it became clear there were a top three teams in our division and we were hoping to sneak into fourth, however a consistent run of injuries and players in and out during the season saw us with a bunch of inconsistent results, from wins and draws against the top teams to some harsh loses against the lower teams ensuring the post game beers tasted different each week!

By season end we counted thirty three players who had been part of the 5s team. It certainly kept the beginning of each week busy getting a team put together for the coming weekend!

Thanks to Brad Ball for captaining and leading the team, with Brad also being our Best and Fairest and Team player this season. It is said that you can't teach an old dog new tricks. Well, Brad proved that wrong this year having to play center half for the first time in his hockey career.

MENS 5

Div 9 GOLD

continued…

Lee Cousins was our Runner Up Best and Fairest, which he achieved playing only nine games of the season. Lee shocked us all by announcing he was moving to Cooktown for new opportunities and challenges just before the midway point of the season. He has been one of the clubs great members for many, many years, always willing to help, umpire, and guide the Juniors in his Senior teams. We wish Lee all the best on his new adventure in the wild north Queensland tropics, and hope that he returns to our club in the future.

Special thanks to Tim Manning and Blair Voitkevich who took time out of their weekends to GK for us when Chad was at work; without them we often wouldn't have been able to field a team.

With season 2023 closed we look forward to season 2024.
